

A winter scene at Forest Lake. The foreground is covered in snow with many footprints. A wooden structure, possibly a dock or pier, is partially visible on the left. In the background, there is a large body of water (Forest Lake) and distant hills under a grey, overcast sky. Bare trees are visible in the upper part of the frame.

# **FOREST LAKE DRAWDOWN UPDATES**

Lake has reached Draw Down Level and structures will be closed once frost has set.
