Dear Municipal Clerk:

Pesticide Application Exemption

Notice to be Posted:

The Massachusetts Dept. of Agricultural Resources regulations specify what steps a resident must take to legally exempt their property from any pesticide treatments used for mosquito control. Prior to March 1 of each year a certified letter must be filed with the municipal clerk's office. Please see attached "Exclusions from Pesticide Application" 333 CMR. Should you have any question please call the Northeast Mass Mosquito Control and Wetlands Management District at (978) 463-6630.
