RECYCLING BINS & CONTAINERS

Recycling bins, or curbside recycling stickers, if you use your own container (e.g. small barrel, laundry basket), can be obtained from the Department of Public Works. To secure a bin or recycling sticker for your own container, call (978 983-8874) or visit the DPW Yard on Lindberg Avenue, Monday through Friday, between 8:00AM - 3:00PM.

CARDBOARD RECYCLING

Cardboard is banned by the DEP from being thrown out as trash and the City's trash vendor will be leaving any boxes at the curb. Cardboard boxes need to be recycled and must be flattened and broken down/cut to a size of 3' x 3' x 3' or less in order to fit in the curbside recycling truck. Residents can also recycle cardboard and other mixed paper in drop-off collection containers at the DPW Yard on Lindberg Avenue and the Transfer Station on Huntington Avenue.

2008-2009 Methuen Recycling Information

Dear Methuen Residents,

Thank you for recycling as it is one of the few ways we can help the City on a daily basis. By participating in our recycling program, you help our community reduce trash disposal costs, assist our efforts to comply with state regulations, promote recycling related jobs and help preserve the environment.

Our Department of Public Works (DPW) provides a wide array of cost-effective recycling related services to residents. With the support of the Massachusetts Department of Environmental Protection (DEP) and our recycling vendor, Integrated Paper Recyclers, this new pamphlet provides information about programs received curbside as well as at drop-off locations while highlighting what, when and how to recycle in Methuen.

Since we implemented the enforced cardboard recycling program in 2006, we have seen a substantial increase in recycling as your efforts are making a difference. Cardboard is banned by the DEP from being thrown out as trash. For curbside collection, cardboard boxes must be flattened and broken down/cut to a size of 3' x 3' x 3' or less in order to fit in the recycling truck. Please don't use boxes as containers for holding trash or recyclable materials. Residents can also recycle cardboard and other mixed paper at two drop-off locations: at the DPW Yard on Lindberg Avenue or the Transfer Station on Huntington Avenue.

Please help the City meet the DEP's policies and goals while saving the City money by recycling everything possible and encouraging your friends and neighbors to do the same. Thanks for helping to save tax dollars, enhancing the environment and for making a difference in our community!
