

METHUEN TRANSFER STATION REGULATIONS & FEES

Effective Tuesday, September 7, 1999, the following schedule of permit fees and dumping charges will be enforced. Permits will be available only at the Department of Public Works transfer station scale house office located off of Huntington Avenue.

Each applicant will be required to show the vehicle registration and have the vehicle present when purchasing a transfer station sticker.

Any individual using a commercial vehicle for disposing of their household trash on a weekly or periodic basis shall pay the non-commercial fees. If they bring other than normal household trash, they will pay as a commercial vehicle.

Each commercial refuse hauler or others from private apartments, businesses and industries shall be required to submit a list of those apartments, businesses and industries being serviced.

Commercial haulers will be billed monthly for the prior month's tonnage. Payment shall be made by check payable to Town of Methuen within five (5) days notice at the Department of Public Works office located in the Searles Building, 41 Pleasant St.

All local businesses will pay by check at the transfer station office after weighing in unless approved for monthly billing.

Failure to pay or failure to abide by any of the rules and regulations set forth may result in revocation of permit or being required to pay by check at the transfer station office.
